WASHINGTON, D.C. 20545

Dear Mr. Nelson,

This is in connection to the proposal, through your letter of 16th March 1976, about the financial support which ERDA will provide in 1976 for the activities under Project Indalo, as it was considered in the Hall-Otero agreement.

On the acceptance of the total amount for 1976, we have not any difficulty to admit funds made available by the American Embassy in Madrid in two occasions, one now and the other in october or a little later, at your convenience.

So, your present funds proposal is accepted and you can transfer the first increment of \$27.000 as soon as you want.

Sincerely,

APR 13 1976
